

**Have you been wondering how to provide aid to those in need from the disasters fire in Maui? I found one way.**

I reached out to Deacon Stephen Maglente. Many may remember Dcn Stephen and his wife Momi. They are 60 + year friends of ours from Maui (Marlene and Momi have actually been 'pen pals' since the second grade, before Hawaii was a state). They came over for my class's ordination 2013. Actually, Dcn Stephen assisted Fr Neff in my vesting and we served my first mass together at St George.

Anyway – Their parish in Wailuku has a web-page with a **'GIVE NOW'** upper right hand corner - <https://www.osvhub.com/stanthonymaui/giving/funds> Just follow the instructions to provide immediate assistance. Additionally, you can mail a check/money orders to, *St. Anthony Church, FOR: "Maui Disaster Relief Fund."* *St. Anthony Church, 1627 Mill Street, Wailuku HI 96793.*

If you want to know more about their parish, please follow this link

Dcn Stephen shares, as there is no rebuilding being done yet, their greatest immediate needs are funds to purchase food, clothing, and temporary shelter.

Peace Dcn Fridley
